JBMR Manuscript Number _____

Title: _____

JBMR requires that authors cover the cost of color illustrations. The current color charge is \$900 (US) per page. The ASBMR publications staff will do everything possible to provide you with the most economical layout.

By signing this form, you agree to pay the costs associated with color printing of the figures, photographs, and other graphics in your article that you designate.

If you do not wish to have your figures printed in color, you must submit black and white figures when you submit your revision. Please note that the JBMR does not offer an option for online-only color publishing of images.

I designate the following figures to be printed in color and agree to pay the cost of printing:

Figure number(s): _____

Total Number of Color Figures: _____

Approximate Cost of Color Figures: ($\$900 \times$ Number of Pages of Color Figures) = _____

I understand that the cost to the authors is \$900 (US) per page and that it may not be possible to print more than one figure on a page. I also agree to pay any additional costs incurred by the JBMR due to a change from a color to black and white figure that I might request.
